## Definitions

## Risk-Free People Audit

- PEOPLE “STUFF”
- Are your people as effective as they can be?
- How do you measure performance?
- How open are the lines of communication?
- Is there true Teamwork?
- Leadership?
- What motivates your people?
- Is there Synergy within the Organization?
- Is turnover an issue?
- Are your people informed?

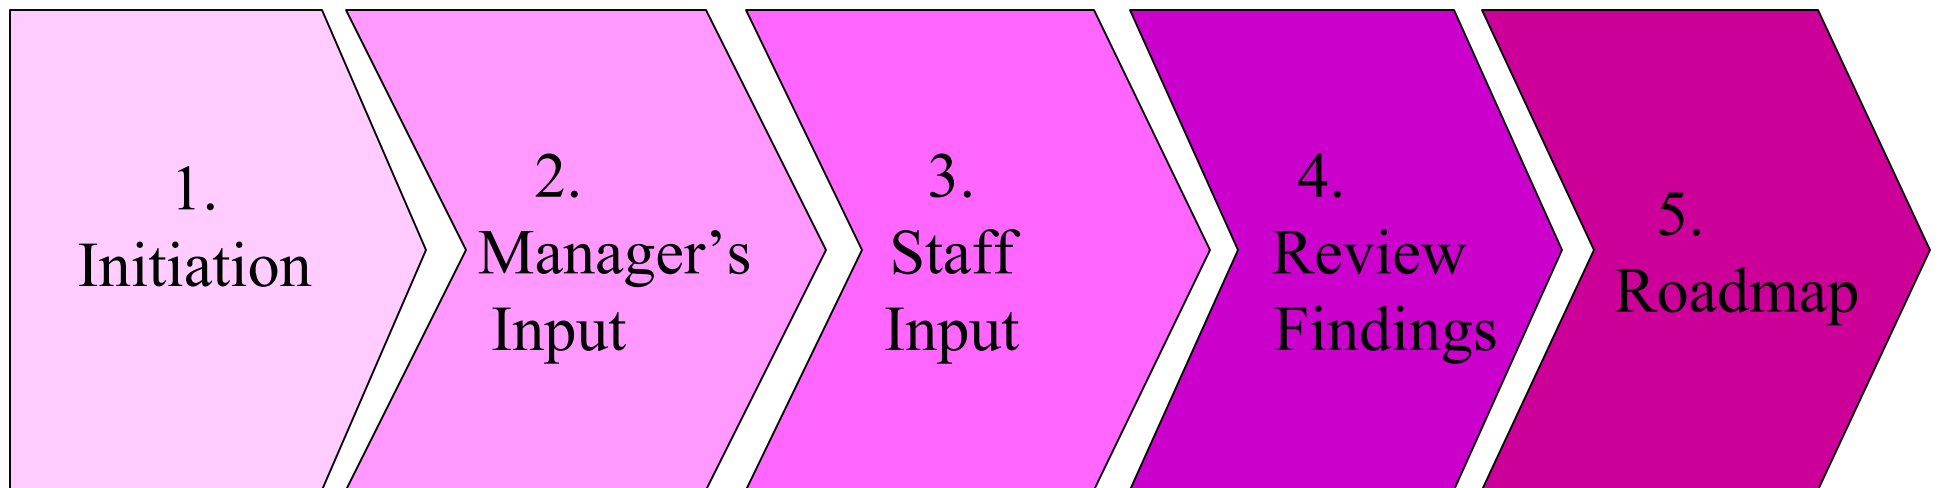

# How does the *Risk-Free People Audit* Work?

- Goals & Objectives
- Methodology
- Deliverables
- Client's Benefits
- Schedule & Investment

# Goals & Objectives

- Enhance Productivity and Output
- Maximize Performance
- Sharpen Hiring and Promotion Decisions
- Isolate and Remove Barriers to Success
- Create Synergy within the Organization

# Methodology

*This is a fast paced, intensive process that will engage all members of the company.*

# Deliverables

- Ranked & Prioritized Opportunities based on Business Impact
- Managing for Success tm Assessments for Key personnel
- Clear and Objective understanding of the Effectiveness of Communication within the Organization
- Short term & Long term recommendations to improve your Business based on Opportunities and Threats
- A Written Roadmap of recommendations for Immediate Improvements & Growth

# Client Benefits

- No Risk & Timeliness (Approximately 1-2 days)
- Uncover Short Term & Long Term Opportunities
- Rank & Prioritize Opportunities According to Business Impact
- Direct feedback to Management based on Audit Findings
- Helps to Prepare People for Positive Change
- Deliverables can be used Independently
- Build Momentum for Organization Effectiveness

# Schedule & Investment

The Risk-Free Audit will entail 1-2 days of Company Participation, based on Company size and number of Functional areas.

The Investment is \$2,500

If the Client does not feel that the Audit has produced clear and concise Information that can Positively impact the Business, the entire fee will be refunded.
